2075 Frist Center, Princeton University, Princeton, NJ 08544

EDUCATION

Princeton University

Graduating June 2021

- BA Computer Science | Minors in Entrepreneurship and Dance | GPA: 3.70
- Relevant coursework: General Computer Science, Algorithms and Data Structures, Game Development

Chapel Hill High School, Chapel Hill, NC

Graduated June 2017

- GPA: 3.98 | ACT: 35 | Math II: 800
- Relevant AP: Computer Science (5) | BC Calculus (5)

EXPERIENCE

HackMIT | Cambridge, Massachusetts

September 2017

24-hour Hackathon hosted by MIT annually

- Developed web-based application on two-person team using Google App Engine that enables students to find and meet their friends for lunch via a shared calendar
- Developed and styled front-end interface using HTML, CSS, and JS; integrated Jinja2 in Python

Google CSSI | Boston, Massachusetts

July 2017

Three-week intensive coding program taught by Google engineers

- Implemented web-based application end-to-end in Google App Engine, writing over 2,400 lines of code
- Developed Slice, a pizza-sharing web app that connects people based on group size, toppings, etc.
- Developed and styled front-end interface with HTML, CSS, and JS; integrated mailing system and Jinja2 framework in Python

ACTIVITIES

IgniteSTEM (Content Team)

September 2017 - Present

National conferences helping teachers from low performing high schools integrate technology into their classrooms

- Identify and communicate with presenters to speak/lead workshops on design thinking and entrepreneurship
- Design conference schedule and content of Hack-in-a-Box, our Hackathon starting kit

Princeton Triangle Club (A/V Manager, Run Crew)

September 2017 - Present

Princeton's oldest musical theater company which writes and produces its own original musicals

- A/V: filmed, edited, and produced eight videos garnering over 6,000 total views
- Run Crew: technical team that manages lights, sounds, staging, etc. before and during production

Trego (Merchandise Chair)

September 2017 - Present

Student choir that loves to boogie

- Redesigned club graphics and logo, distribute and manage club paraphernalia

YMCA Leaders Club (Operations Chair)

September 2014 - June 2017

Student-led volunteer organization with over 120 members performing over 10,000 hours of service annually

- As Operations Chair: developed and maintained internal systems (emails, cloud storage, hour logging, third party services, official documentation), served on board; personally volunteered 400+ service hours

Tae Kwon Do (2nd Degree Black Belt, Junior Instructor)

2001 - 2016

Double gold medalist for Poomse and Sparring (State)

- Taught two classes weekly, assisted in belt graduation exams

SKILLS

Coding Languages:

- Java | HTML | CSS | JS: Intermediate
- Python: Basic

Hard Skills:

- Videography, Final Cut Pro
- Graphic Design, Adobe Photoshop
- Audacity, Garage Band

AWARDS

Park Scholarship:

NC State University

- 40/2,000 selected

National Hispanic Scholar: NHRP

- 5,000/250,000 selected

Good Citizen's Award: DAR

- 1/400 selected

Model Leader Award: YMCA

- 1/150 selected

PRODUCTIONS

Princeton Dance Festival

- Company Member

Heathers: The Musical

- Kurt's Dad

Spy School Musical

- Run Crew

Trego: Fall Concert

- Choir Member

A Breakfast for Eels

- Penrose
